

Rhodora

JOURNAL OF THE
NEW ENGLAND BOTANICAL CLUB

Conducted and published for the Club, by
ALFRED LINN BOGLE, Editor-in-Chief

ROLLA MILTON TRYON
STEPHEN ALAN SPONGBERG
GERALD JOSEPH GASTONY
RICHARD EDWIN WEAVER

} Associate Editors

VOLUME 77

1975

The New England Botanical Club, Inc.
Botanical Museum, Oxford Street, Cambridge, Mass. 02138

INDEX TO VOLUME 77

Entries include: authors; title words such as geographic area; and new records, systematic revisions, or ecological studies by taxa. Lists or tables of taxa and maps are also classified separately under "Lists" and "Maps". Note that only one page number per article is given for each taxon entered. New scientific names and combinations are printed in bold face type.

- Alsophila Brooksii* × *Nephelea portoricensis* 451, *A. dryopteroides* × *N. portoricensis* 442, *A. hotteana* × *Nephelea* sp. 452
Amorpha, revision of North American 337, Key to Species 340, *californica* 345, *californica* var. *californica*, var. *napensis* 348, *apiculata* 350, *herbacea* 352, key to varieties of *herbacea* 357, var. *floridana* 358, *A. crenulata* 360, *georgiana* 362, key to varieties of *A. georgiana*, var. *georgiana*, var. *confusa* 366, *A. canescens* 367, *nana* 373, *glabra* 377, *paniculata* 384, *nitens* 386, *laevigata* 388, *roemeriana* 391, *ouachitensis* sp. nov. 394, *fruticosa* 397
Antithamnion antillarum 26
Ascophyllum nodosum 16
Asterocyttis ramosa 22
 Ayensu, Edward S., Report on Endangered and Threatened Plant Species of the United States 355
 Barker, William T., (see God-fread, C.)
 Baskin, Jerry M. and Carol C., Geographical Distribution of the Cedar Glade Endemic *Viola Egglestonii* 427-429
Batrachospermum, Observations in Southeastern Wisconsin Streams 467
Boerhavia spicata 423
 Bogle, A. Linn, Editor's Note to Contributors 163-164
Butomus umbellatus 160
 Cantino, Philip D., *Boerhavia spicata* (Nyctaginaceae), The North American Species, In Northwestern Argentina, 423-426
 Cape Cod Algae, map 77, Seasonal occurrence and reproduction, figures 78, 79, tables 86-96, Distribution, tables 86-102, Longevity, table 97-99, Annuals and Perennials, tables 100-103
Carex geyeri 537
Ceramium fastigiatum, 28, *gracillimum* 27
Chimaphila maculata, in New Hampshire 436
Chondria 31
Chordaria flagelliformis 13
 Chromosome Counts of Compositae From The United States, Mexico and Guatemala 171-195
Cladophora dalmatica, *laetevirens*, 6, *socialis* 7
 Coleman, Douglas C. and Arthur C. Mathieson, Investigations of New England Marine Algae VII: Seasonal Occurrence and Reproduction of Marine Algae Near Cape Cod, Massachusetts, 76-104
Colpomenia sinuosa 13
 Compositae, Chromosome Counts of figure 174-175, Table 182-191

- Computer projects in systematics, International register of 539
- Conant, David S., Hybrids in American Cyatheaceae 441-455
- Crotalaria sagittalis*, Facultative Dwarfism, Notes On the Leguminosae II. 141
- Crouania attenuata* 28
- Crovello, Theodore J., International Register of Computer Projects in Systematics 539-40
- Crow, Garrett E., Book Review: Winter Keys to Woody Plants of Maine 438-439
- Cyatheaceae, Hybrids in American 441
- Cyathea arborea* 448, *irregularis*, *jamaicensis* 453
- Dasya rigidula* 30

Kent Island A Vegetational Survey of the Vascular Plants of 196

Kiger, Robert W., Papaver in North America North of Mexico 410-422

Kral, Robert, *Rudbeckia auriculata* (Perdue) Kral, A Species Distinct From *R. fulgida* Ait. 44-52

Lactuca muralis, in Maine 434; in British Columbia 435

Leguminosae, Notes on the 141

Lichens, Maritime and Marine 147

LISTS (TABLES)

Batrachospermum, localities, abbreviations and sampling dates 468-469, range in environmental conditions for 472, range in selected environmental conditions for Scuppernong Ck. and Tichigan Ck. 472

Belize Monocotyledoneae 113-139

Botanical Collectors in Belize 110-112

Cape Cod Marine Algae Distribution, Longevity, Dominant Annuals and Perennials, Seasonal Occurrence, Reproductive Periodicities 86-103

Chromosome Counts of Compositae from the United States, Mexico, and Guatemala 182-191

Frequency of Kent Island Shrubs and Herbs 201

Herbaceous and Woody Species Cover, Kent Island 207-208

Marine Algae from Nahant, Massachusetts 152-155, 430-433

Marine Lichens from Nahant, Massachusetts 147-148

Seaweed, composition at Dover Point, New Hampshire 522-525, monthly occurrence and longevity of 527-529, numbers of taxa from Dover Point 530

Soil analysis Data for Kent Island Transects 204

Zostera marina, Characteristics of eight stations within the Great Bay Estuary 457

Lophosiphonia cristata, 33

Magnolias, The Deciduous of West Florida 64, *acuminata* 70, *Ashei* 66, *pyramidata* 71, *tripe-tala*, 72

MAPS

Amorpha canescens, Distribution of 371, *Amorpha* spp., in Southeastern U.S. 395, in Southwestern U.S. and Mexico 349, *fruticosa*, in U.S. 404, *glabra*, *schwerinii* and *paniculata*, in U.S. 380, *nana*, in U.S. 376, *nitens*, *laevigata*, *roemeriana*, *ouachitensis* in U.S. 389

Belize, Administrative/Political Districts 106

Kansas, Nebraska, South Dakota and North Dakota, County maps 481

Marine Algae Stations on Cape Cod 77

New Hampshire Coast and the Great Bay Estuary System, map 513, Dover Point and surrounding areas 514
